

THANK YOU!

To All Who Support  
Wayne United Chaplain Ministries

July 3, 2010

Dear Members of Central Christian Church,

We very much value your support of Wayne United Chaplain Ministries. Your donation of \$250 counts in many ways. Every month our three chaplains reach literally hundreds of people; students at the Agricultural Technical Institute, patients or inmates, family members and staff at Dunlap Community Hospital and the Wayne County Justice Center. Each person to whom we minister is in crisis or transition in their lives.

Your donation helps provide for so many. Thank you very much.

Sincerely,
